Hi Ecosystem and Nomade Labours

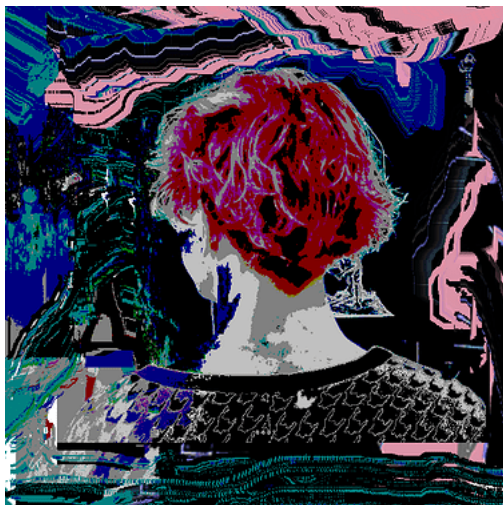

Just came here to quick report.

Before I have doing the [proposals for nomadelabel-dao](#) , as i have being doing...

But now [#nomadelabel-dao](#) has being facing new paths of decentralization, and it has being great to see this movements, and give the place to others figure out they own ANTIMETODO.

June I just started to step towards decentralization of nomadelabers works, experimenting strategies on collective/individual autonomous re-Organization

Let's try something new!

Before this month, i was taking the self-responsibility of curatorcy(cuidadoria antimetodo), production and guidance for

### [\[REPORT\] NÔMADE LABEL - Monthly Report \(June\)](#)

Project Name: NOMADE LABEL Project Status: [ concluded ] Council members  
Statues: [No Council at this month] Neste mês, visando o processo de descentralização da DAO e de onboarding dos membros ativos no fórum de governança, o cargo de Council foi extinto e a DAO não solicitou fundos para isso. Passaram a existir duas funções no Astro DAO: members e everyone. Nesse processo, mais pessoas passaram a interagir no Astro DAO, aprendendo a realizar CFC, a votar nas CFCs recebidas, a submeter poll...
